# We are OYO.

United by their love of music, over 350 elementary through high school students from southeast Michigan come together each week to fulfill their desire to deepen their musical experience.

Through our four-tiered orchestra program, we teach, guide, and foster musical growth in a friendly, supportive atmosphere.

We laugh, we play – literally.

### **Welcome to the 2015-2016 Season!**

IA Music Boosters are glad to support the students and directors for another year of outstanding music and student growth. Every year, I am amazed at the achievements and personal growth that happens for our children between August and June. I am grateful to witness and be a part of that cycle for six years now.

You can be a part, too, by supporting the music program through Music Boosters. There are volunteer opportunities, large and small, that are enjoyable and necessary to keep this great program humming along. Your donations fund master classes and instrument, uniform, music and program expenses throughout the year.

Contact me or your directors or stop by the boosters table at the concerts to say hello, donate or volunteer. We appreciate your support and know that Music Boosters can enrich your IA parent experience.

Best wishes for a great school year to you and your family,

Tricia Meade  
President  
IA Central Campus Music Boosters
