# Letter from Directors

Dear IA Music Families,

Welcome to the IA Music Program's January concert series. As always, we are proud to show you the results of our music learning over the past several weeks, and for you to hear the growth from this fall. The ensembles continue to tackle more sophisticated and challenging repertoire, and we directors are excited to see how far they will go!

This fall our music program had 5 students earn positions in the MSVMA Regional Honors Choir, 6 students earn positions in the MSBOA District Honors Orchestra, and 3 students earn positions in the MSBOA District Honors Band. Taking our fantastic representation to the state level, there is one IA music student in each of the groups at the Michigan Music Conference this January; MSVMA State Honors Choir, MSBOA All-State Orchestra, and MSBOA All-State Band. These achievements are a testament to the hard work students put in both inside and outside of school, and these students' leadership is absolutely one of the most crucial elements to our success as an organization. Please congratulate these students!

As always, we have to acknowledge the work of the IA Central Campus Music Boosters. The IACCMB's work is invaluable to our efforts to provide a world-class music education for our students. But we have some vacancies, both current and forthcoming, that need to be filled, and we could use YOUR help! Come join this fantastic group of volunteers, and connect more deeply to the IA community through your service.

Sincerely,

*Eric LaNoue & Joseph Lewin-Ziegler*
