Letter from the Directors

Dear IA Music Families,

We are excited for the wonderful year of music making ahead of us! It is always rewarding to see the progress students make during the course of a concert cycle, as we grow closer together as an ensemble. Thank you for being here to celebrate that learning and growth.

We are fortunate at the IA to have a large and vital music program, which is not possible without the support of our community and families. We know that many of our students are spending extra time making music outside of school - practicing, taking private lessons, participating in youth ensembles, MSBOA, and MSVMA activities. All of that strengthens the culture of music at IA, and it wouldn't be possible without the effort of our students and support of their families. Thank you!

We would like to also thank all of the tireless work of our IA Central Campus Music Boosters. So far this year, the IACCMB were able to get our music room's sound panels reupholstered, provide several new instruments for the classroom, and cover the cost of equipment maintenance that goes beyond what our IA budgets can provide. Boosters are also behind the scenes making things happen throughout the year. So far this year, they have run Uniform Night, planned for concert hospitality volunteers, and put together this program you're reading right now. But they need your help! Please reach out to Phil Dobrzynski or another Booster member to find out more.

Thank you for sharing this evening of music with us, and have a wonderful rest of your fall.

Sincerely,

Mr. LaNoue and Mr. Lewin-Ziegler

Choir Program

October 19, 2026 | 7pm | Bloomfield Hills High School
